

# DIABETES PREVENTING THE PREVENTABLES (DPP) FORUM

7 May 2017 | Kerry Hotel

亞洲糖尿病基金會  
Asia Diabetes Foundation

[www.adf.org.hk/dpp2017](http://www.adf.org.hk/dpp2017)

At the end of the forum, delegates should be able to:

- Recognize the roles of doctors as leaders and clinician scientists to develop systems for preventive and chronic care;
- Acquire latest knowledge in the fields of quality improvement and use of latest technologies to improve clinical outcomes;
- Understand the opportunities and challenges in personalizing care with special reference to Asian populations;
- Change clinic setting and use data management to provide holistic care for multiple clinical needs.
