# Welcome Message

We are pleased to announce that the **16<sup>th</sup> Diabetes and Cardiovascular Risk Factors – East Meets West Symposium** will be held in conjunction with the **9<sup>th</sup> Congress of the Asian-Pacific Society of Atherosclerosis and Vascular Diseases** on 25 – 28 September 2014 in Hong Kong.

The Asian-Pacific Society of Atherosclerosis and Vascular Disease (APSAVD) was first established in 1996. The Congress of the APSAVD is its signature congress which provides a forum for scientists and clinicians in the region to meet regularly and share updates, as well as to highlight similarities and differences of this disease in Asia compared with the western world.

East Meets West (EMW) Symposium is one of the most important meetings in Asia in this specialty and provides an opportunity for medical professionals to keep abreast of the latest developments in diabetes, obesity and cardiovascular diseases, and to share their knowledge and experience.

The 9<sup>th</sup> Congress of APSAVD and 16<sup>th</sup> EMW Symposium is jointly organized by the Asian-Pacific Society of Atherosclerosis and Vascular Disease (APSAVD), the Hong Kong Institute of Diabetes and Obesity (HKIDO) of the Chinese University of Hong Kong, the Hong Kong Foundation for Research and Development in Diabetes (HKFRDD), the Hong Kong Association for the Study of Obesity (HKASO), the Hong Kong Atherosclerosis Society (HKAS), Asia Diabetes Foundation (ADF) and MIMS (Hong Kong) Limited (MIMS), with support from many professional healthcare associations. We expect to welcome more than 1,500 colleagues to Hong Kong, a place where East really meets West. Your active participation will make this Congress truly for the benefit of the people with, and at risk of, these chronic diseases.

**Dr. June K. Y. Li**

# Call for Papers

The Scientific Committee welcomes the submission of abstracts on selected topics to the congress for oral and poster presentation. Accepted abstracts will be published in the Journal of Atherosclerosis and Thrombosis. The Committee reserves the right to reject abstract and edit the language.

## Application

Abstract submission **MUST** be done online. All free paper presenters are required to register the congress for presenting their works.

## Submission

- ▶ Authors should complete registrations before the submission of abstracts.
- ▶ Authors are requested to fill out the Abstract Submission Form online.
- ▶ Abstract should be typed single-spaced in MS Word format in English using 12-point font of Regular Times New Roman in not more than 300 words. Authors must type their initials and last name, but not degrees, titles or institutional appointments. Please underline the name of the presenting author. Authors must indicate the name and address of the institution where the work was carried out.
- ▶ Authors must arrange the text as follows:
  - a. Purpose of the study
  - b. Methods
  - c. Summary of the results
  - d. Conclusions
- ▶ Authors must use standard abbreviations and place a special or unusual abbreviation in parentheses after the full word the first time it appears.
- ▶ Simple tables or graphs (in black ink) may be included.
- ▶ Abstract presenters may apply for the Young Investigator Award. Applicant must be under the age of 45 years. The age must be certified with a supporting letter from the applicant's immediate supervisor.

## Topic for Abstract Submission

You may select one of the following topics for your paper:

- a. Atherosclerotic Disease Diabetes
- b. Cardiovascular Disease
- c. Diabetes
- d. Obesity

## Selection Criteria

The selection of abstracts by the Scientific Committee will be based on the following criteria, which will be assessed with equal weighting:

- a. Scientific rationale and clinical relevance of the objectives
- b. Innovation and originality of the project
- c. Appropriateness of the methodology, data analysis and conclusion
- d. Clarity of presentation

## Young Investigator Awards

Winner for oral presentation: USD 500  
1<sup>st</sup> runner-up for oral presentation: USD 300  
Best poster: USD 200

## Submission Deadline
