Dear Dr Lee,

**Ref: Sponsorship to 24th Regional Osteoporosis Conference (ROC 2024) on 20 Oct 2024 at HKCEC**

On behalf of Amgen, as part of our commitment to supporting high quality continuing health education and professional or academic development, we would like to provide sponsorship for 2 Healthcare Professionals to attend the above-mentioned event ("ROC2024"). For additional details, please see the attached agenda.

We believe that this Event will enrich the professional knowledge of HCPs and will in turn benefit the public at large. The support of sponsorship will be registration of the Conference which is free as we are one of the sponsored companies. This Sponsorship is not intended, directly or indirectly, to compensate the institution for purchasing, ordering, prescribing, using or recommending Amgen's products or services, or as a mean to gain access to the institution for the purpose of promoting any of Amgen's product or services.

We would like to stress that Amgen is subjected to the Code of Practice of the Hong Kong Association of Pharmaceutical Industry ("Code") in providing the above sponsorship. To assist us in complying with the Code, we appreciate that you will also adhere to the criteria as set out in the Code when handling the trip reimbursement of the expenses incurred hereunder.

For your easy reference, please find the details of the Code from the attached link:
