

Date: 6th February 2025

Prof. Alice Kong
Honorary Secretary
Hong Kong Society of Endocrinology, Metabolism and Reproduction (HKSEMR)

2025 IDF World Diabetes Congress 2025 (Bangkok, 7 April-10 April 2025)

Dear Prof. Kong,

In support of the continuous medical education in Endocrinology, we have the pleasure of inviting one member of your society to participate in the 2025 IDF World Diabetes Congress held from 7 April to 10 April in Bangkok.

The conference will be the place to present impactful new data in endocrinology and diabetic field. The scientific sessions will be complemented with high quality educational sessions and excellent networking opportunities.

The support will cover all logistical costs, including flight and accommodation for the nominated attendee. The cost breakdown is as follows:

- Registration fee: HKD 5,110
- Hotel (5 nights): HKD 7,250
- Flight (Economy class): HKD 4,500
- Others (transit and meal): HKD 3,000

Should you have any questions about the medical education support, please don't hesitate to contact Rachel Wang, Medical Advisor, at +852 6765 2186.

Yours sincerely,

Rachel Wang, Ph.D
Medical Advisor
